*Review Praise for Smile: A New York Times bestseller 2011 Will Eisner Comic Industry Award for Best Publication for Teens 2010 Boston Globe-Horn Book Honor, Nonfiction A New York Times 'Editors' Choice' 'It hits home partly because there is nothing else out there like it.' -The New York Times Book Review 'The real focus of Smile is Telgemeier's search for identity, a universal experience with which readers will readily identify.' -The Washington Post 'An utterly charming graphic memoir of tooth trauma, first crushes and fickle friends, sweetly reminiscent of Judy Blume's work . . . Irresistible, funny and touching - a must read for all teenage girls.' -Kirkus 'A charming addition to the body of young adult literature that focuses on the trials and tribulations of the slightly nerdy girl.' -Publishers Weekly Praise for Sisters: 'I love [Telgemeier's] work, not because it is exotic or unusual, but because she writes stories we have all lived, and tells them in a way that feels uncomfortable yet transcendent. The profound thing Raina discovers is that we do not have to navigate the difficulties alone.' - The New York Times Book Review * 'Telgemeier's art complements her writing to great effect, offering a cheerful, vivid cartoon simplicity that allows readers to instantly engage even as it leaves room for deeper truths to take hold.' - Booklist, starred review * 'Told in then-and-now narratives that are easily discernible in the graphic format, Telgemeier's tale is laugh-out-loud funny (especially the story about the snake incident) and quietly serious all at once. Her rounded, buoyant art coupled with a masterful capacity for facial expressions complements the writing perfectly.' - Kirkus, starred review * 'Though the artwork draws little attention to itself, Telgemeier's visual storytelling skills are well-honed, and readers will be left wishing for more.' - Publishers Weekly, starred review * 'Telgemeier has returned with a must-have follow-up to Smile (Scholastic, 2010) that is as funny as it is poignant, and utterly relatable for anyone with siblings.' - School Library Journal, starred review Read more About the Author Raina Telgemeier is the creator of SMILE, which was a #1 NEW YORK TIMES bestseller, winner of the Will Eisner Award for Best Publication for Teens, and a BOSTON GLOBE-HORN BOOK Honor Book. She is also the creator of DRAMA, which was a #1 NEW YORK TIMES bestseller and received a Stonewall Book Award Honor. Raina also adapted and illustrated The Baby-sitters Club graphic novels. She lives in Astoria, New York, with her husband, Dave Roman. To learn more, visit her online at www.goRaina.com. Read more*
