Description:

Breaking The Autism Code: A Guide for New Parents, Lyme, Toxicity The Gut and Vaccines "I can put myself in your shoes. I feel like I understand what you're going through. I don't know if I can go through what you did. My son had 80 seizures a day, and I couldn't do anything about it. " Ronnie Prine whose son died from the DTAP vaccine Nothing prepares you for the heartache when you hear "something is wrong" with your child. Global Development Delay, ASD, Autism, Lyme, PANS, PANDAS- the challenges you face with these complicated health issues can be overwhelming. Cindy has traveled the long and bumpy road to long-term wellness for herself and for her family, and she shares her wisdom in this easy to read guide. It's like "Spark Notes" for parents. If you are the parent of a special needs or autistic child, you need this book. It's comprehensive, full of useful information, advice and resources from a parent who has "been there." Clear and concise, it's one of the few books on the subject that doesn't intimidate or talk down to new parents RN and Legal Nursing Consultant.
